Sea Ray®

A WORLD BEYOND THE MAINSTREAM.®

270 SUNDANCER® SE • SPORT CRUISER • 1999 SPECIFICATIONS

In the mid-cabin berth, your guests will appreciate the halogen lighting and an aft-facing window with screen. At night, a curtain offers privacy.

The galley includes an integral sink with high faucet, alcohol/electric stove, microwave and dual-voltage refrigerator. There's also a built-in trash receptacle and upper and lower storage.

The stand-up fiberglass head compartment features a VacuFlush® toilet, lighted mirror, and shower with curtain. Toiletries can be neatly stowed in the vanity and side storage.

The versatile V-berth functions as a dinette by day, and a comfortable sleeper by night. Plenty of room for clothing and gear is found in a hanging locker and storage compartments under all three V-berth cushions.

Sunbathers can relax on the portside lounge. Nearby, a built-in cooler holds plenty of refreshments. Abundant side and seat storage hold everything you need for a weekend cruise.

The wide swim platform and transom door make it easy for swimmers to board, and there's plenty of cockpit seating available.
